

Garden Excursions presents
The 6th Annual Peony Festival & Parkwood
Sunday, June 13th, 2010

Join Wendy Downing, Co-Principal of the Royal Botanical Gardens School for Horticulture Judges, and Veronica Sliva, National Director of the Garden Writers Association, for a leisurely day of sensual delights.

Journey with us to the Oshawa Valley Botanical Gardens for the 6th Annual Peony Festival, a celebration of Canada's largest contemporary peony collection with over 300 cultivars in full bloom. Also, featured at the festival is the Canadian Peony Society's Annual Show where over 100 specimens will be on display and judged.

Afterwards we visit nearby Parkwood, the home of the late R.S. McLaughlin, founder of General Motors of Canada. Here we will enjoy lunch in the tea house overlooking the reflecting pool. Then, we'll tour this magnificent mansion and the extensive gardens which have been restored to their former splendor.

- Cost of the excursion is \$80.00 per person, all inclusive.
- Prizes and activities on the coach.
- Pick up points in Burlington, Toronto and Scarborough.
